VALUES AND  
ETHOS  
STATEMENT

At Rugby Free Secondary School, we have high expectations of all students. We care passionately about enabling each and every one of them to succeed through encouragement, teamwork, friendship, trust, mutual respect and an enjoyment of learning. We aim to create an environment where we all understand that by supporting each other and working together, we achieve more.

We are a learning community, which embraces opportunities for all our learners by securing high quality learning and teaching. We aim for all our students to achieve their full potential both as students at Rugby Free Secondary School and as considerate global citizens of the future. We always aim to be the best we can be.

Rugby Free Secondary School's distinct atmosphere is a result of the combination of high aspirations, innovation and our commitment to the rights of the child. We are happy, have mutual respect and work hard. We are very proud of our students and the people who help them learn.
