

PE AT RUGBY FREE!

The PE department are very excited to have you on board with us next year, and we look forward to seeing all of your talents across many sports!

We think it would be a great idea for you to get a head start in your PE knowledge, to make sure you are ready for secondary school PE. Here are some of the sports which you will be covering first in September: Rugby, Football, Handball, Basketball, Netball and Badminton.

Summer project: Can you choose 3 of the sports above to create a fact file/poster on. You may want to include some rules, how many people on a team, equipment needed etc. We look forward to seeing them and you!
